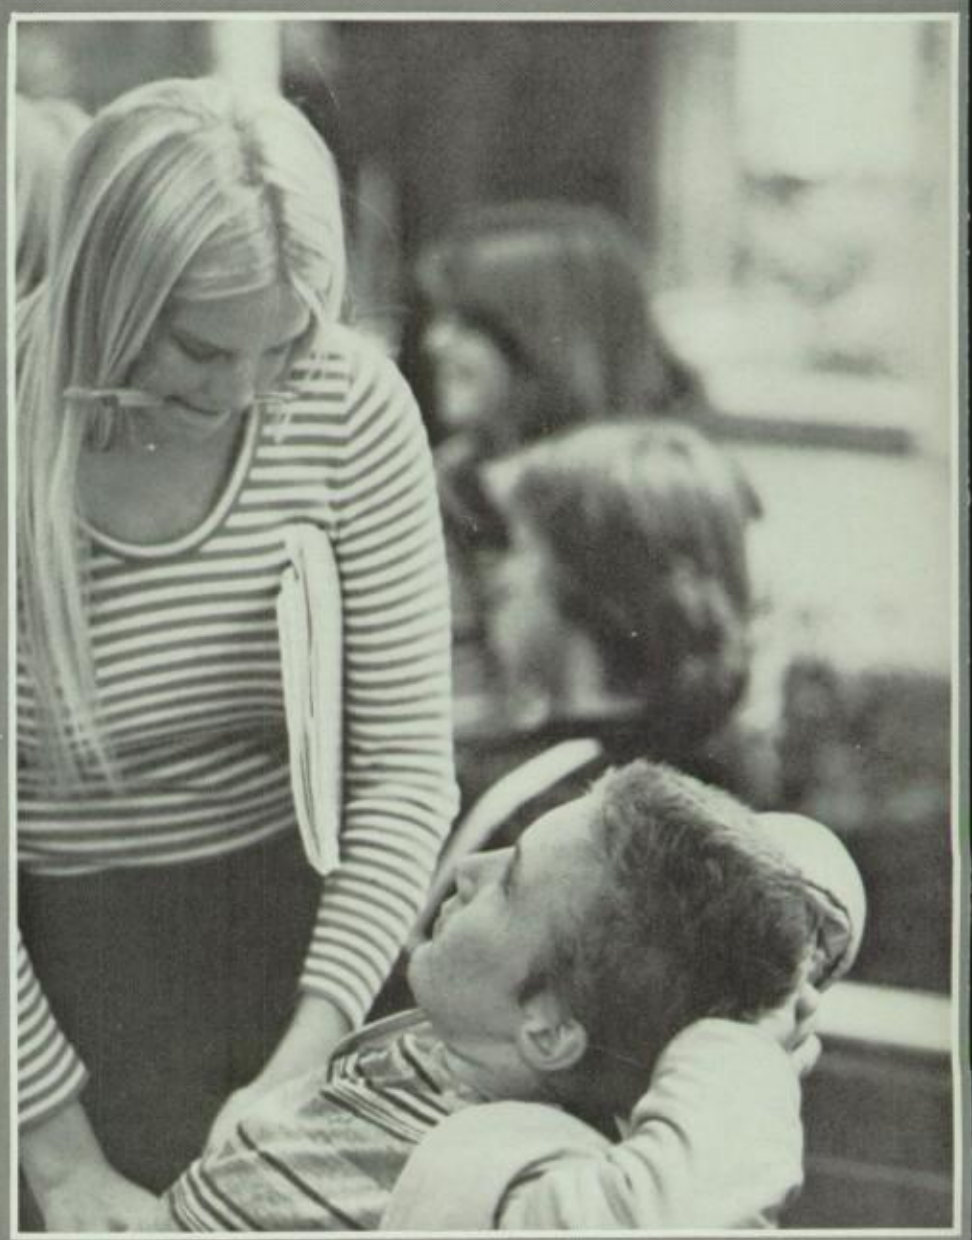
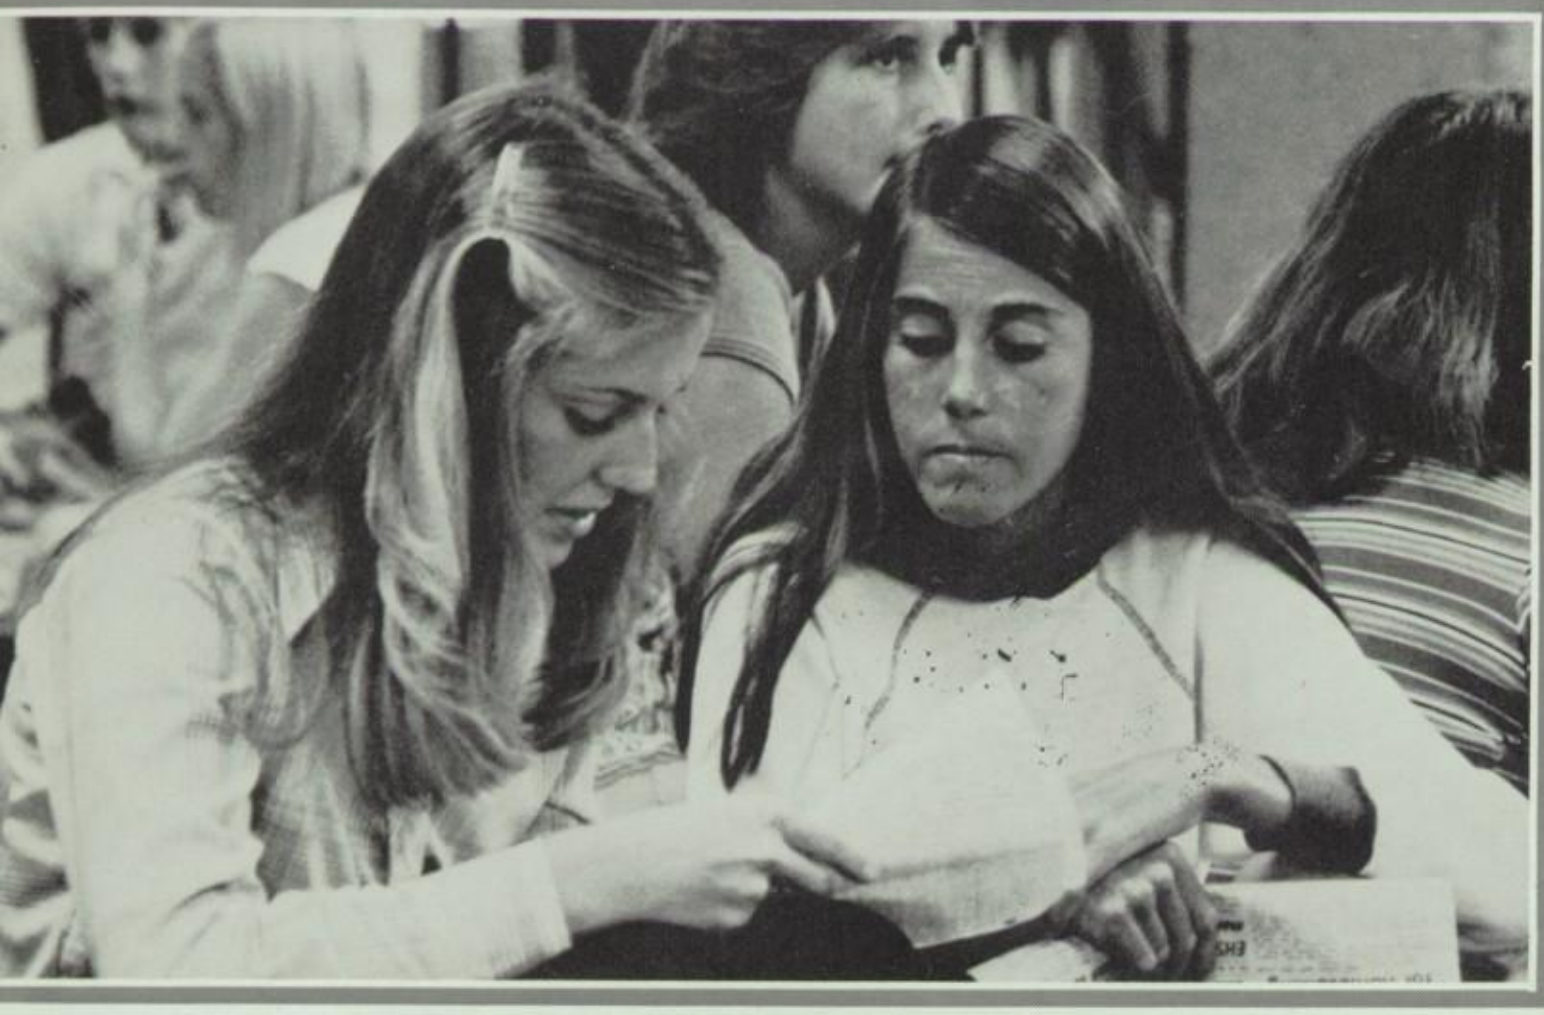
the light . . .

the lights burn deep within our soul.
soaking up memories,
igniting hopes and dreams for the future.
yesterday strengthens the glow,
compliments the flickering flame.
we hold each moment so close.
tomorrow, however,
the lights will dim,
and eventually . . . burn out.





the flame

a tiny shimmering touch of warmth.
like a flame you spread your love,
burning through me,
igniting hopes and fears.
happiness and frustration.
you are my beginning.
you are my end.
my . . . life
my foundation.

the smile

friendship begins
with a smile.
reaching,
touching,
comforting.
a light
in the dark,
it overcomes
bitterness,
brings warmth,
and happiness.
like an embrace
it is seldom
forgotten.
a smile
the beginning
but never
the end.

there is no more time
for the hearts and flowers,
those were part
of yesterdays past.
we are gradually moving
farther apart.

but never will you smile
like you once smiled,
never will you laugh
like you once laughed.

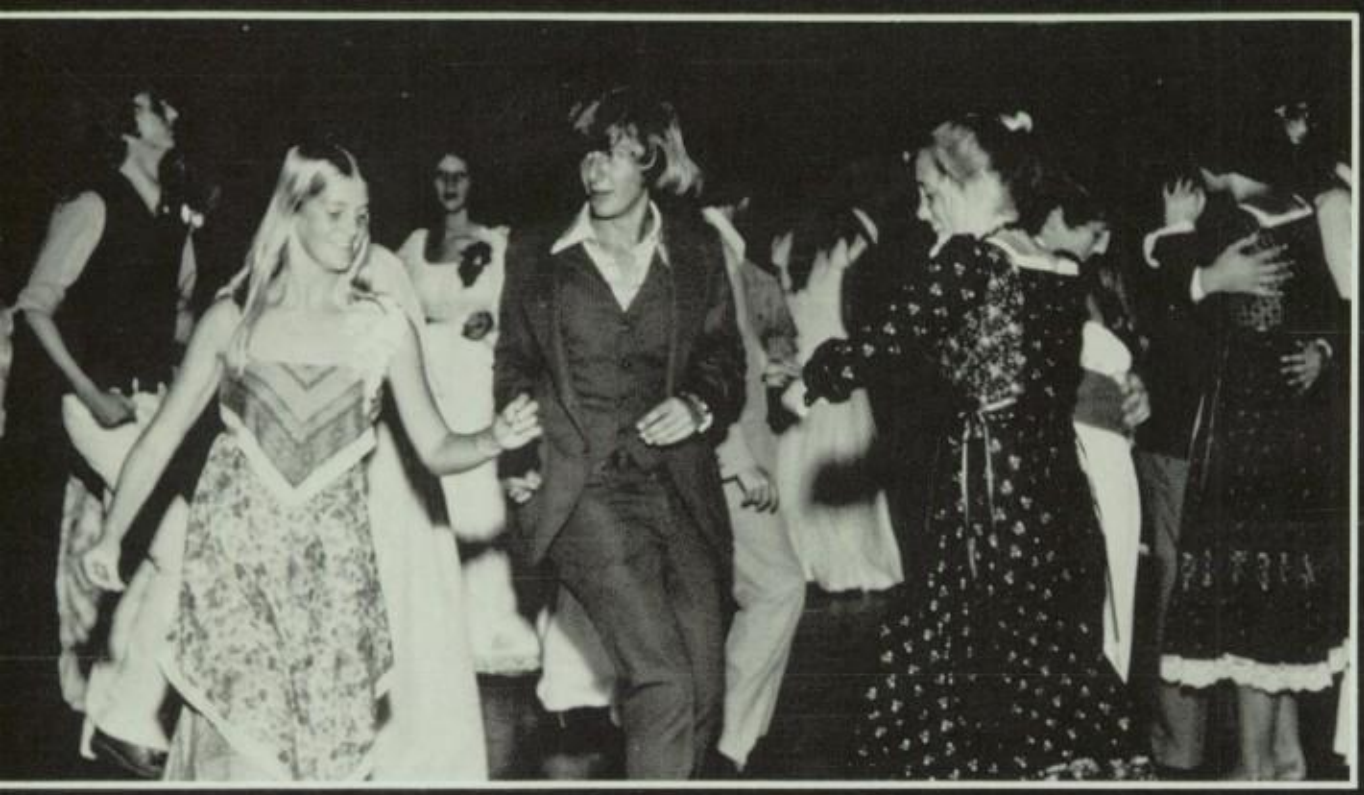
Just An Old Fashioned



Love Song

This years 1977-78 Homecoming Dance was sponsered by the sophomore class and held in the commons as tradition calls for. Wizards provided musical entertainment and a few laughs as well. The commons were enthusiastically decorated by the sophomore class and a good time was had by all.

Homecoming Activities

Homecoming Week was full of spirit. It gave each class a chance to show their imaginations. Activities included were Gangster Day, Sock Day, Glasses Day, Hat Day and Red and Gold Day. Each class held lunchtime contests to see which class was most spirited. After adding up the points, the Senior class came out on top, followed by (in order) Jr., Soph. and Frosh. classes.

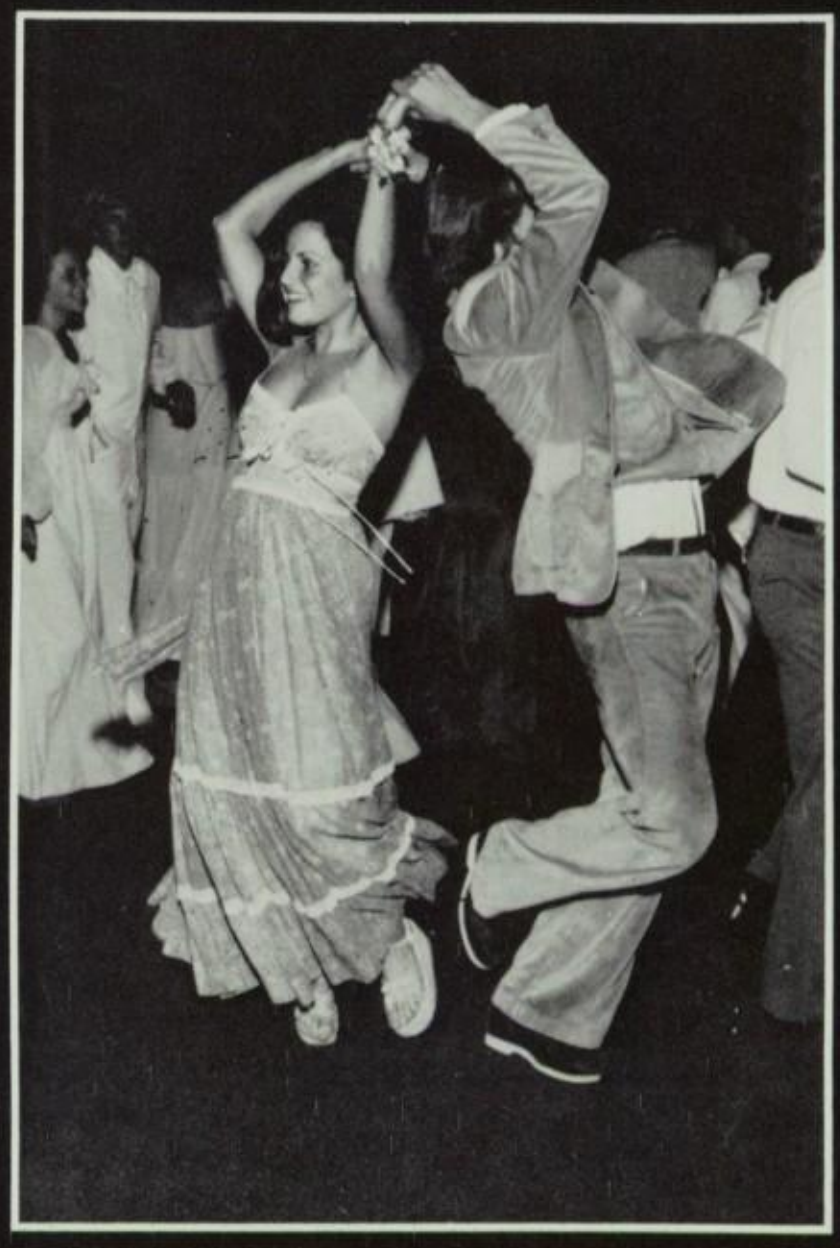
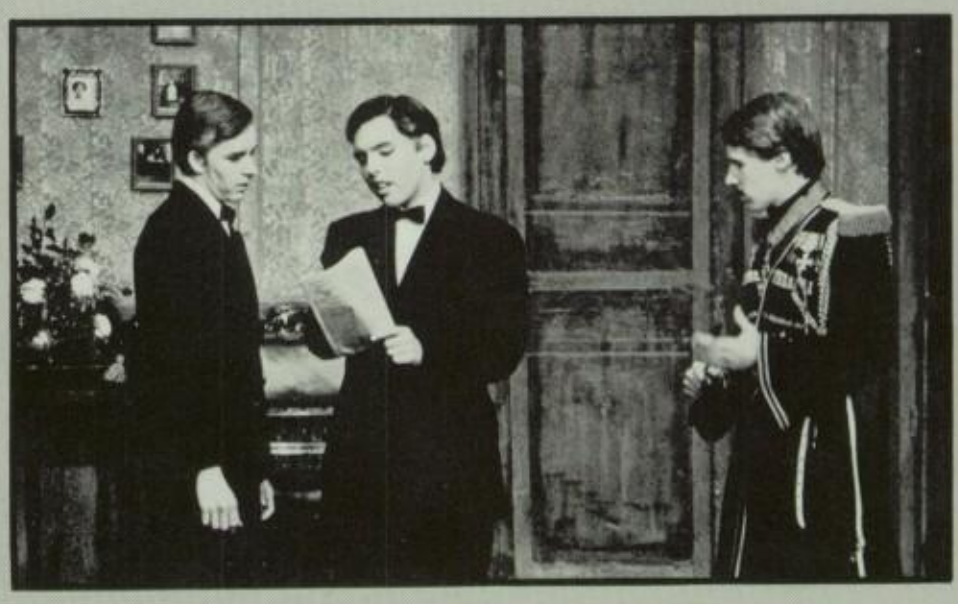
Making Spirits Bright '77

This year's Winter Formal was a great success. It was held at the Garden Grove Community Center, December 16, 1977. The band, Archangel, provided excellent music throughout the night.





FALL PLAY

Anastasia

This years fall season play was a brilliant production of Marcelle Morette's "Anatasia". The play revealed much of Estancia high school's dramatic talent. We congratulate all these people who put alot of their time and effort in making the play a success.

Thespians Troupe #1224

Further proving that Drama people belong in cages, Troupe #1224 was locked up for blatent Thespianism. Mrs. Van Holt tearfully exclaimed, "It's all a frame-up." Stan shouted "The play is over." Gene Autry claimed he was back in the saddle again. But face it, we're all bozos on this bus . . .

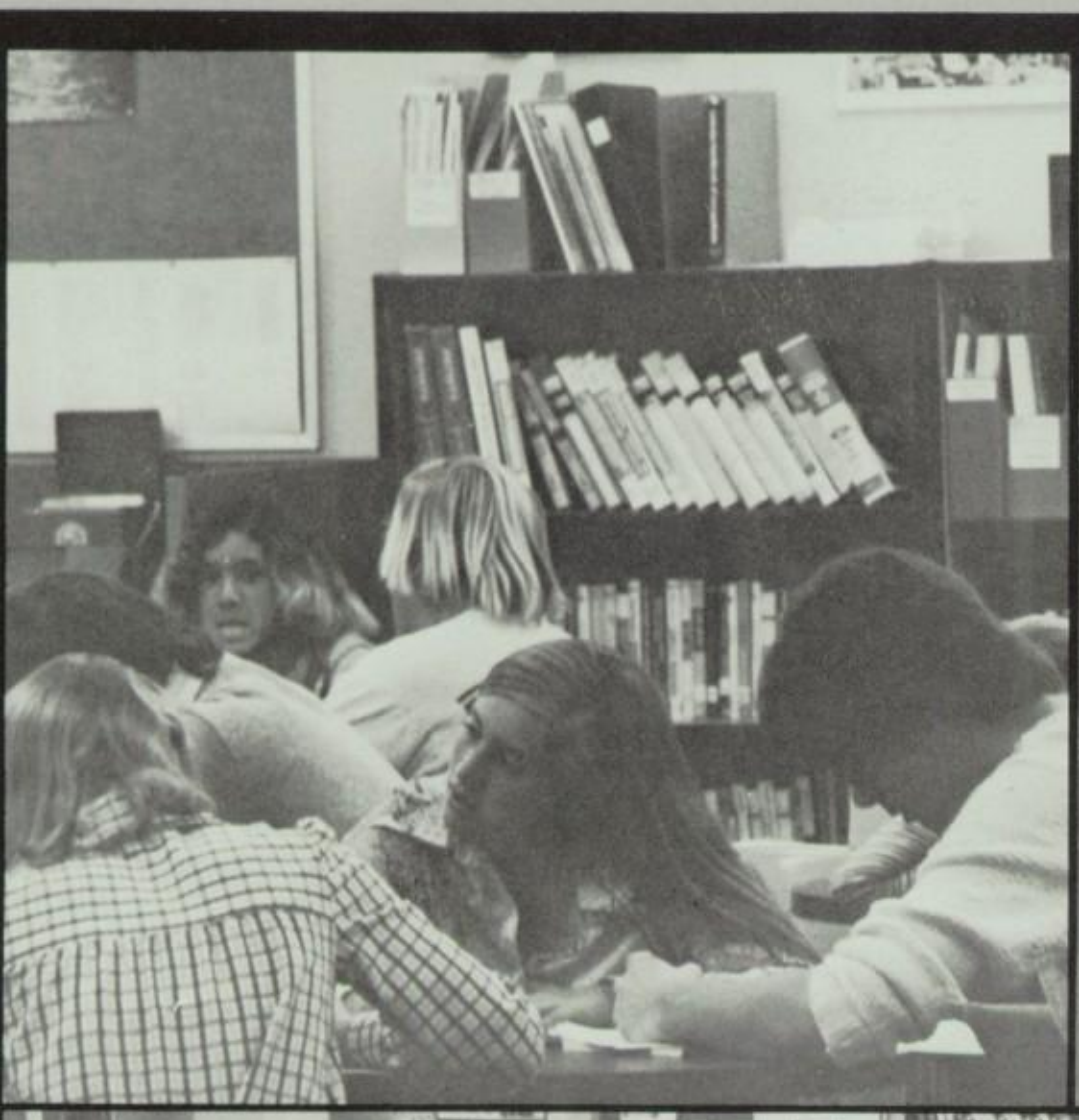
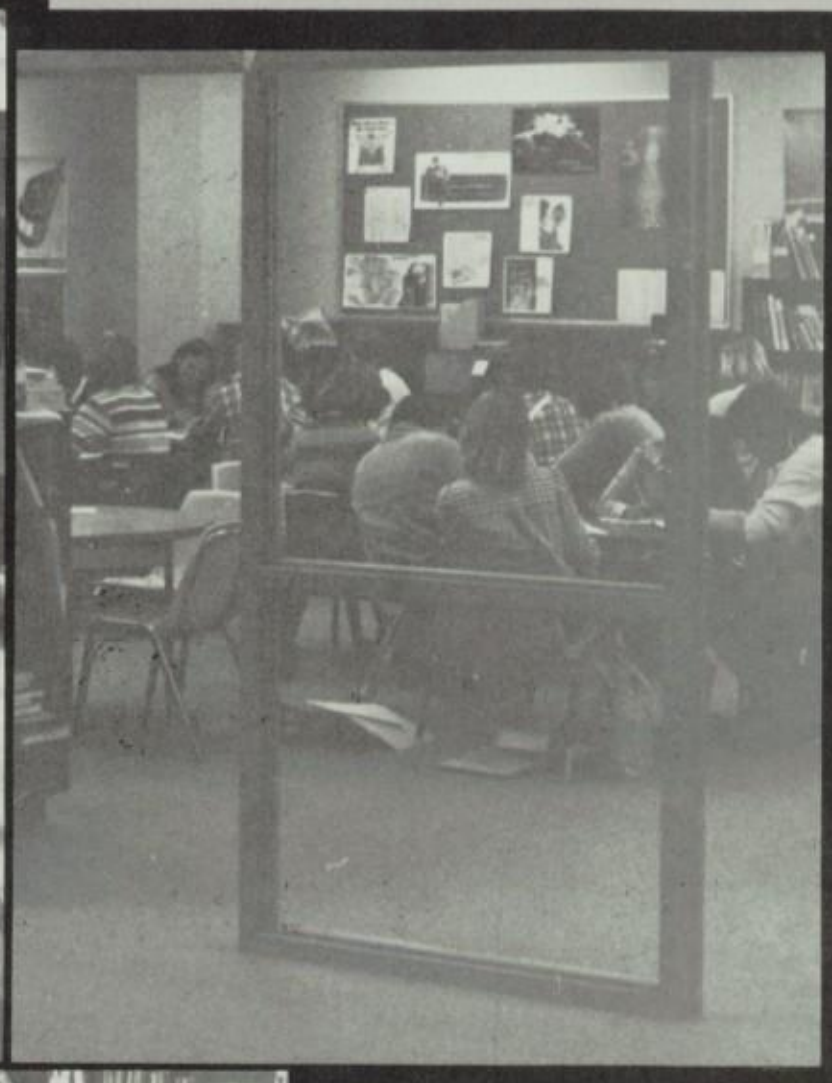
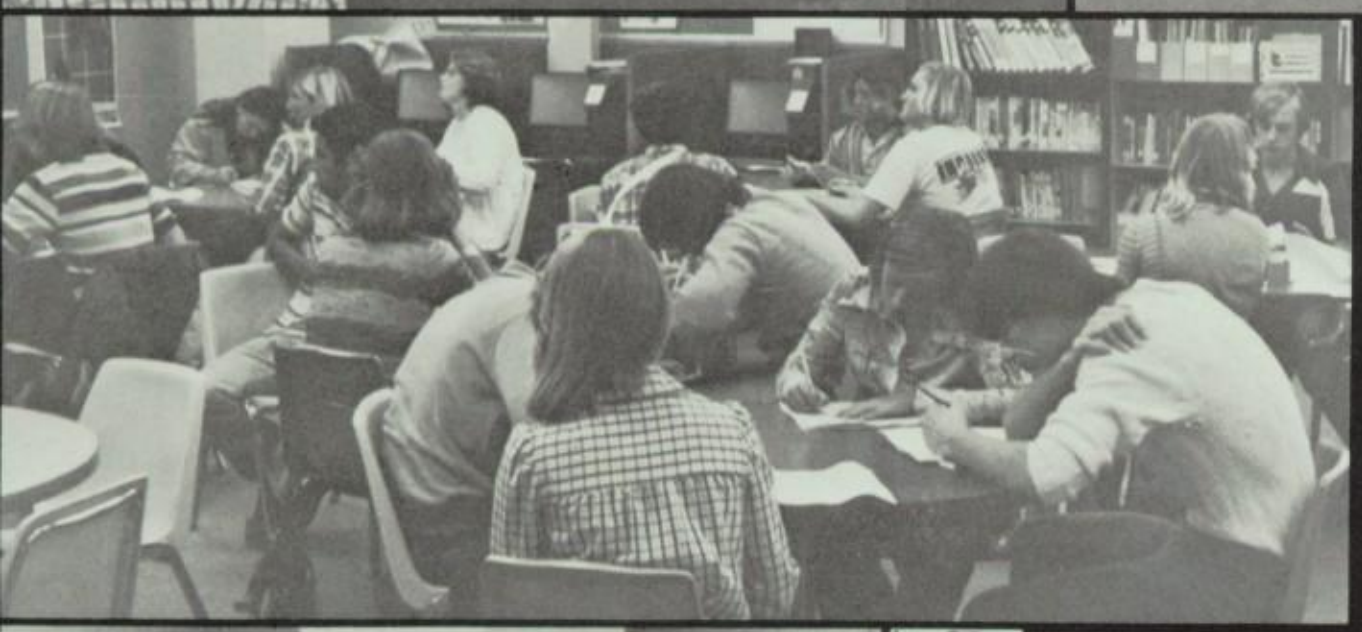
What's Happening





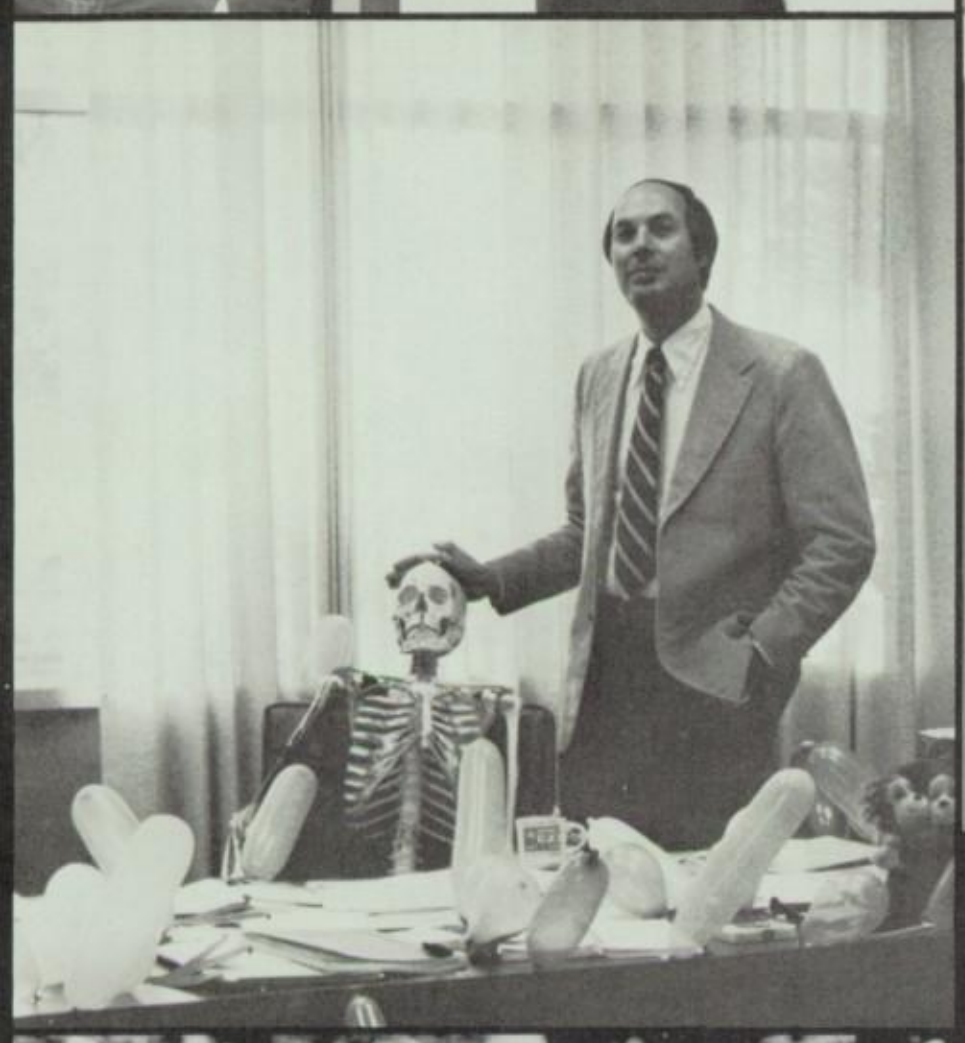


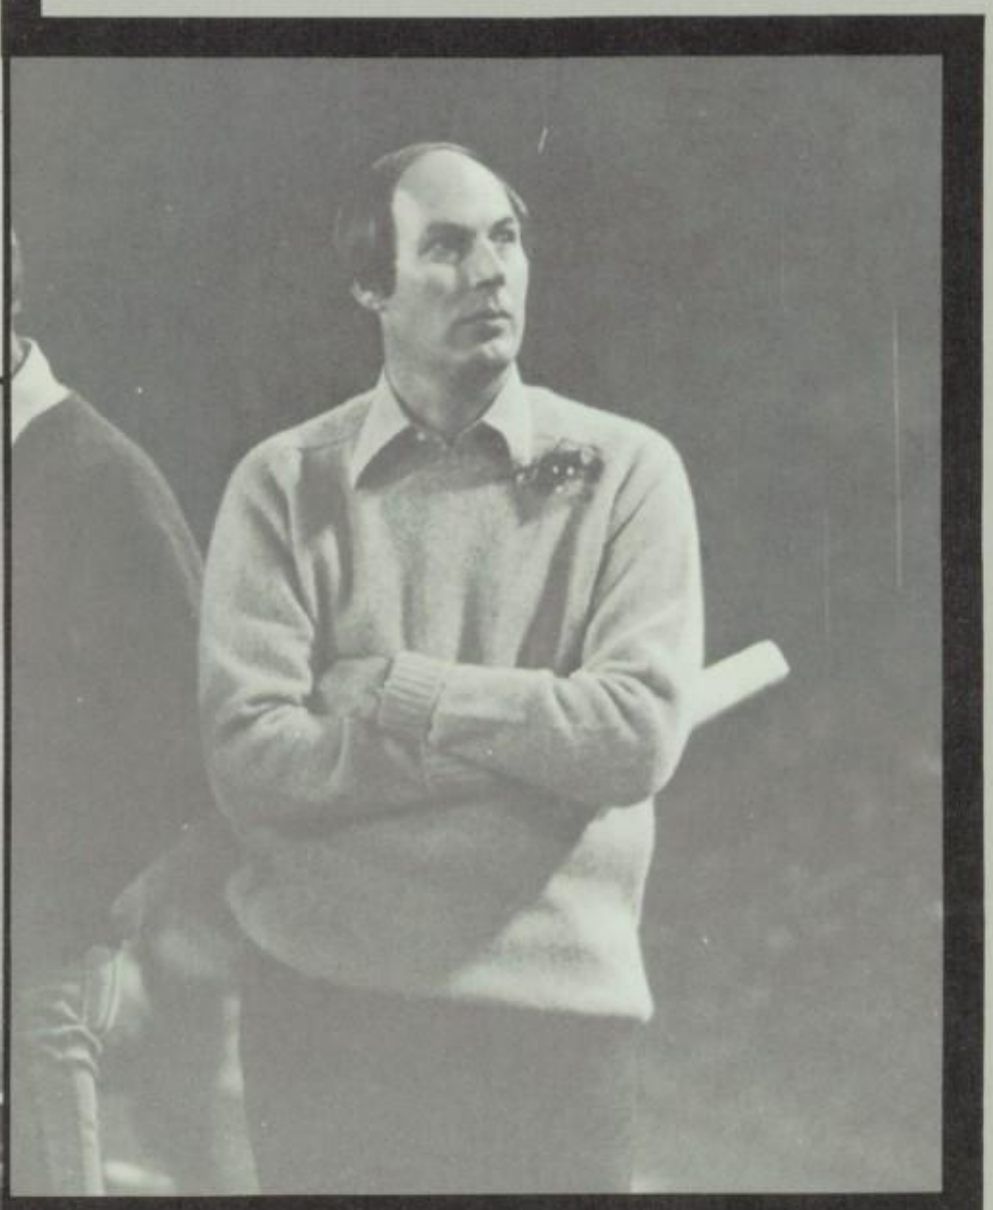
Estancia is very fortunate to have such an outstanding career center. It's the one place in the school, besides the library, where a student can really look up those things which interest him. For now, a student must sign up for Careers class to be in the center during the day. The center is equipped with audio visual machines, a computer terminal, filmstrips and tapes, books, and hundreds of pamphlets about jobs. There is college information available as well as lists of vocational schools. Students are very much on their own in class and each student investigates jobs in which he is personally interested. In Careers class, students learn to write a resume, a business letter and practice filling out application blanks as well as discussing personal values and looking up jobs.

After several years of fighting over the gym, Estancia is now in the process of building a new one. Extended on from the girls locker room, it will provide enough room for all competing indoor sports for both boys and girls. Completion date is set for March, (the exact year is not known).

KEST is Estancia's radio station during lunch time. It provides musical entertainment for the countless thousands at Estancia. The station plays a wide variety of popular music that everyone likes, including the Beatles, Eagles, Foreigner, and Fleetwood Mac. We'd like to thank all the D.J.'s for the super job they've done.!

What's Happening





Mr. Francy is Estancia's new principal. He was assistant principal here several years ago and has also obtained experience from other schools as a teacher and counselor.

We would like to welcome him to our school and hope he has enjoyed the past year as much as we have. GOOD LUCK IN THE YEARS TO COME!!

EAGLES'

This 1977-78 "Eagle Marching Band" had the most musically successful season in the schools history! Under the fine leadership of Drum Major Larry Weinheimer, the "Eagle" band performed in major band reviews and grew gradually better each time out as their record shows: Colton-3rd place, Chino-2nd place. Then another 1st in the schools history-1st place at "El Primero"! This award is ever so remarkable because the banner girls, flags, band and drill team all performed in a driving rain storm! Although hats, uniforms and flags were soaking, the "Eagles" spirits were not even damp and they performed through competition to be 1st in their division.

Their most musical performances however was yet to be performed. That performance, was the "Best band ever" performed "Under the double Eagle" was performed at the West Arcadia Invitational band review, where the band earned next to the highest music score in the review and the highest in the bands history- a fine 483.5! It was a great year for the Eagle Band because of several outstanding senior leaders and a very hard working and dedicated group of musicians- the "Spirit of Estancia"- the "Eagle" Marching Band.

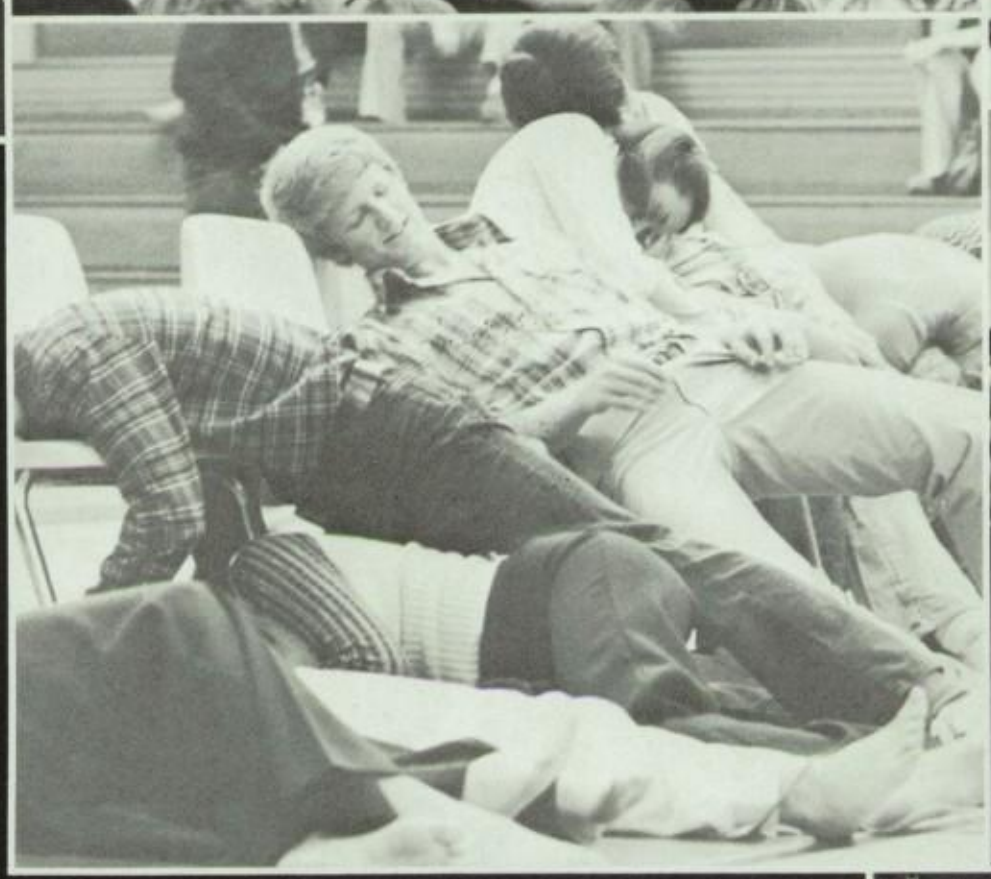
This year, from March 5th to 11th, 55 Estancia students, many returnees, enjoyed another spectacular trip to Yosemite National Park. The first couple of days were spent at Crane Flat with 10 ft. of snow for building snow caves to hopefully sleep in, snow-shoeing, X-country skiing and many a snowball fight.

Other Activities in the lower valley would include taking the shuttle bus to the Sweet Shop in the Ahwanee Hotel to devour 17 hot fudge sundaes, 5 banana splits, 2 root beer floats, and a piece of apple pie. In the evening, groups would get together to sing (Dear Abby, You Done Stomped On My Heart, Please Don't Bury Me etc.), play guitar, banjo and to just get acquainted.

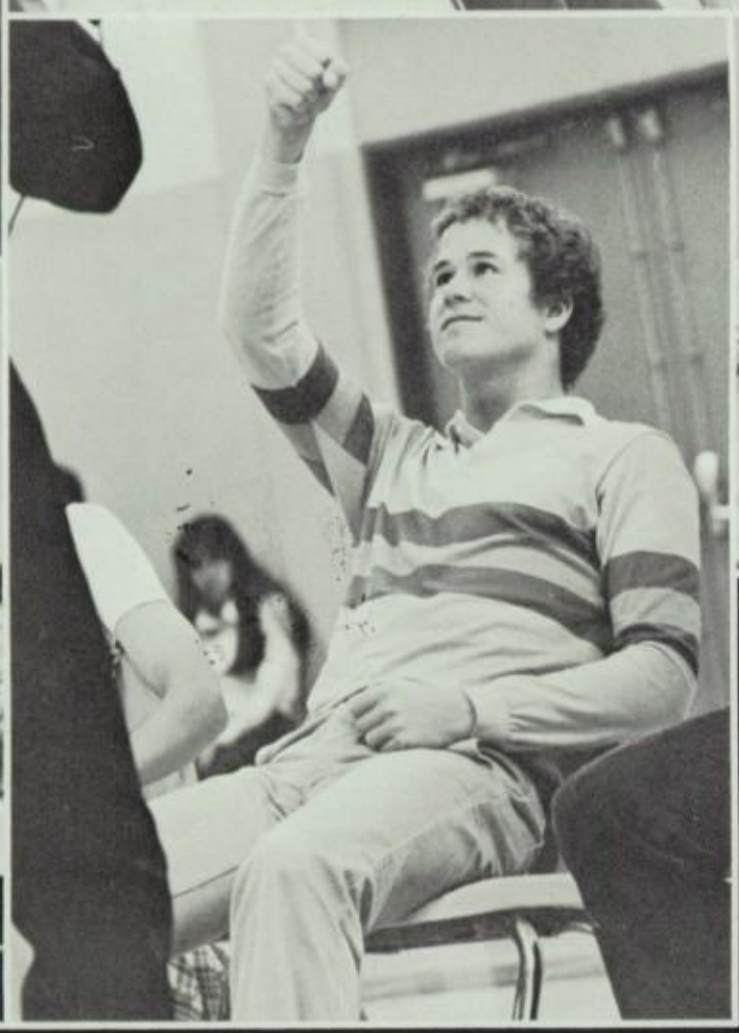
By the end of the week, new friends were made, good times were had, and everyone acquired a great appreciation for the wilderness.

Friends I Will Remember You . . .

THAT'S ENTERTA



JNMENT



Although we only had two special assemblies this year, they were well enjoyed by the student body. The group Rain came and performed a medly of Beatles tunes. The other one was a fascinating hypnotism assembly.

The pep squad did a good job this year entertaining us with new skits, games, and songs; which reflected their devotion to E.H.S.

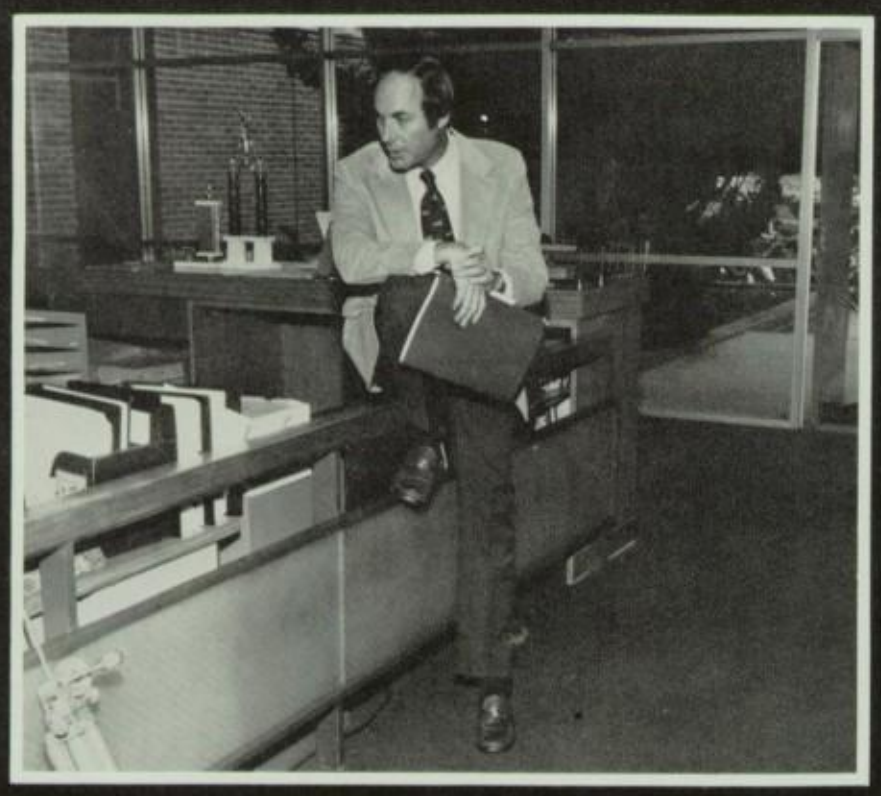
administration



Mr. Francy's first year as principal of Estancia has proved to be a very successfull one for the students as well as for the adminstration. Mr. Francy has gained the respect of everyone who knows him.

Mr. Wetzel, who is in charge of student discipline here at Estancia, is always willing to listen and to help any student. He motiviates the students to participate more and to become involved in school activities.

Mr. Matz, our assistant vice principal, is very dedicated. He enjoys working with the students and finds it very rewarding.

Coach Wolfe

You might say that this years varsity basketball squad was one of the most dedicated this school has seen. This may be attributed to Coach Wolfe's practice sessions beginning each weekday morning at 6:45 and ending at 9:00 and many Saturdays from 8:00-10:00 a.m. They competed against 13 other schools, playing a double round in our league of 8. A relatively young team, they are looking forward to yet another successful season.

Coach: Mrs. Ramsey.

Girls' track had an outstanding 1978 season. The team was strengthened by highly skilled freshmen both in the sprint and distant events. Jill Wallace completed both the 440 and Mile Relay teams plus placing in the 100 yd. dash. The mile run was dominated by freshmen Susan Metcalf with help from Cindi Sandeen who also ran the two mile. Upperclassman Debi Athins added strength in the low hurdle and sprint times, while returning member Susi Chaffee decreased her sprint times and increased her ability in the jumping events. Natalie Fernandez remained outstanding in the mile and 2 mile. The most valuable athlete, Darla Burkhart, continued her strength in both relay teams, 220 and 440 yd. dashes.

Congratulations to all track members on a fantastic season!

The girl's softball team was built around underclassmen. They played a good defense and tried to eliminate walking by making their opponents hit the ball. Their strongest point was infield; including Bonnie Cameron-1st base, Jan Church-2nd base, Kathy Pendley-3rd base, and Lori Donigan as shortstop. Their greatest concern was pitching and how to improve it. Mr. Perry and Miss Candelaria have great hope for a more experienced team next year.

Super-Stars

Mike Camp-
Mike, a superior athlete in many sports, seems to excel in football. Being an outstanding receiver, he helped to lead the team to the C.I.F. playoffs for the first time in 7 years.

Jim Price-
Jim is a consistent and complete player who was a hard worker in both games and practice. Even though his defensive game proved to be his best, averaging 7-10 rebounds per game, he also averaged 15-20 points per game.

Natalie Fernandez-
Natalie has won many medals at invitationals, holds the E.H.S. course record, did well in the League meet, competed in C.I.F., and qualified for the All League Cross Country team.

Tracey Cook-
Tracey was chosen All American in her Sophomore and Junior years. In 1977 she was first in the U.S.A. in the 200 free and second in the U.S.A. for the 100 free.

Kevin Sloan-
Estancia sent only one person to C.I.F. which was Kevin who won the Century League Heavyweight Championship. He became a member of the 10 pin club by gaining 14 pins. His final outcome of the season was 26-3-1.

Mike McCaa-
Mike has won many medals at invitationals, holds the E.H.S. course record, did well in the League meet, competed in C.I.F., and made the All League Cross Country team.

Phil Ohle-
Phil's outstanding swimming ability is proven in his performance in the 50 free, 100 free, and 100 butterfly.

Jim Snyder-
Often being first on the ladder he is the Singles Champion of Century League. Jim has lost only 1 set in the last 2 years and works harder than anyone else, putting forth 110% effort everytime he plays.

Julie Meyers-
Julie and sister Lynne, advanced further in the C.I.F. finals than any entry E.H.S. has ever had. Julie finished unpresidented as #1 singles sharing the honor with freshman sister Lynne.

Eric Robbins-
Eric is an outstanding infielder and pitcher. Being a consistant hitter, is always a threat when at bat.

Jeff Gasper-
Being only a Junior, Jeff has a bright future. He has the potential to become an all C.I.F. player and to have an opportunity to play college volley ball on a scholarship.

Barbara Jamison-
Barbara is a quick and agile player who's rebound ability was outstanding, She also averaged about 12-14 points per game.

Darla competes in four events, a combination of 440 relay, mile relay, long jump, and the 220. She places first, second, or third in every meet that she's in. Darla has gone to the C.I.F. pre-lims in her freshman, and sophomore years, and is expected to return this year.

Lori Donigan-
Lori's outstanding softball ability was displayed this year with her lightning quick throws, and powerful hitting.

LaDonna Kepner-
LaDonna was the backbone of the team this year, supporting them both inspirationally and with her skill of the sport.

Raylene Danziger-
Raylene being an all-around gymnast, competes in all four events including beam, bars, floor, and vaulting. She sets a fantastic example in sportsmanship, good self-discipline and in establishing team unity. She also has a tremendous chance to become a C.I.F. qualifier this spring.

Kelly McElhiney-
Kelly's quick reflexes enabled her to become the #1 singles player for her Senior year.

Jean Longfield-
Jean, being a great threat at the net, is an unstoppable spiker. She helped greatly in leading the team to a tie for a second place finish.

Lynne Meyers-
Lynne a freshman, and sister Julie a senior, advanced further in C.I.F. finals than any other entry E.H.S. has ever had. Lynne and Julie shared the #1 position on the singles ladder throughout the entire year.

The league basketball season for the Eagles was a tremendous success. Led by all league players Jim Price and Doug Jardine, along with point guard John Carrido, the Eagles finished league play in second place with a 12-2 record. The only two defeats came at the hands of Century League Champion El Modena High of Orange. The Eagles showed their super offensive talent in a 104-95 victory over Santa Ana Valley; the first 100 point game in the school's history.

The team finished league play averaging a tremendous 79.6 point per game, due to a wide open style of play that made this season exciting for players and fans alike.

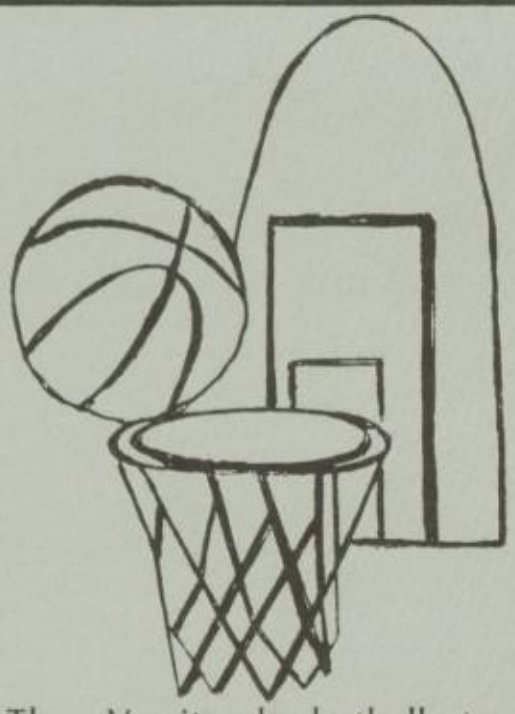
C.I.F



The Varsity basketball team this season continued the post-season success that has ordained the Eagles the past three seasons. Making the C.I.F. playoffs again was an honor the whole school enjoyed. A victory in the opening game over Los Altos 63-52, was aided by the point performance of Jim Price. The Rowdy Rooter support was tremendous as the Eagles travelled to Pasadena to play Blair High in the second round of play-off action. The Eagles put up a strong effort before bowing to a talented Blair team 68-60. The 77-78 Varsity will go down in history as one of the great Estancia teams as they finished the season with an 18-18 overall record.

This year was the first in which Estancia surfers competed as a team against other schools in their league. As of press time, the team was doing fairly well, and Mr. Hemsley had this to say about the surfing class. "The general attitude of participants is better than I expected, it makes surfers feel more a part of the school. I was dissappointed that there were no girls in the class, and it would be a shame if the class was discontinued."

On the day of November 18th, Estancia High School made history .....

Estancia vs Riverside Poly

With two seconds left to play, the game was at a standstill 14-14. Up to this point the game had been centered around the running of Estancia's Hagen and Dominguez and Riverside Pol's Larry Thomas.

It was a picture-perfect ending, an ending many Estancians will never forget. An 18 yard field goal won the game for Poly and drowned Estancia's hopes of advancing to the next round.

Even though the game was lost, the tradition of Estancia football is no more "Wait till next year." Estancia is now a very much respected football team around the county.

This past year the team was not fumble-fingers on the field. They were a well drilled, well disciplined team. They were a team of no big stars, but a team of unity right down to their cute little red sweaters.

Much, if not all, the credit must be given to Coach Bratten and his staff. He has drilled into them that they play as a team and not as individuals.

Even though we lost, for the first time in a long time we were in there.

"Doc Kelsey"

In the second year of "The New Era" of Estancia football, the Eagles turned the corner and produced a fine season. Marked by great upset wins over Edison, El Modena and Foothill and superb efforts in losses to Valley and Riverside Poly,, the Eagles distinguished themselves as one of the top teams in Orange County. Known as the "Cardiac Kids", the fighting Eagles roared into the CIF playoffs for the first time in seven years. Perfect execution, team unity and great fourth quarter play were weekly trademarkes of this outstanding team. Truly, a year to remember. Estancia football is on top to stay and the 1977 squad will be remembered as the team that set the pace.

The Sophomore team started out with nothing but problems to contend with. Beginning with only nine players and no coaches the day before conditioning week, the team eventually worked up to 30 players when school started. Five major players were lost in the first game due to injuries. During the season they beat Tustin and S.A.V.; Two teams of which have always taken the victory over them. The Sophomores were always first out for practice and last to finish, which proved their hard work and stamina. Despite the set backs, they held a good attitude throughout the season.

Racing season began the first weekend of school at Mammoth where twnety Eagle runners experienced a high altitude run through the pines. The twelve race season included seven invitationals. The freshman boys won two trophies at invitationals. Most of the boys Varsity and JV races were at the new longer three mile distance. Although hampered by diverse physical problems, the boys Varsity finished 4th. All runners in all divisions had good races in the league final. Two senior runners were outstanding throughout the season: Mike McCaa and Natalie Fernandez. Mike had a great league final to get third and competed in CIF prelims. Natalie won medals in every invitational, finished a strong second in the league final, and ran exceptionally well in CIF prelims

Estancia had the privallage of hosting two foreign exchange students this year, Nicoletta Giampietro from Milan, Italy, and Augusto Giron Palacios from Guatemala City, Guatemala. Nicoletta speaks english very well and fluent french that is on par with her native italian. She said Estancia is different because "the students pick their classes." Augusto said the same about his country, and the reason he applied for AFS" was to learn another culture."

STUDENT ATHLETIC ASSOCIATION

Freshmen were a little confused at the begginning but soon found out that they had a lot of talent and were going to have to use it if they wish to be near the top.

Sophmores had their spirit still, but they also had a lot of knowledge. No one was sure exactly how good they were going o do in each of the sports. But there was one thing for sure, they were always going to try their best.

uniors-Seniors with all their knowledge and leadership put their team on top of the ladder. The juniors were among the oughest teams to play. But somehow the seniors always seemed to be on top of the juniors.

Senior Sayings

As we watch our high school days slowly come to an end, we look back through the memories and wonder about the future. The love we shared with those so close will always be deep in our hearts and the friendships we leave behind will always remain. As we all take a step into our future tomorrows, we will always take with us the memories of yesterday . . .

It's hard to imagine that time could go by as quickly as it did. All of a sudden, it's time to be seniors. There is so much more to experience and go through in high school. There's only one more quickly disappearing year. Then it will be time to move on. Sure there will still be games and parties and dances . . . But it won't be the same.

You've got to enjoy it while you can, because after it's gone, it's gone. Some of the best years of your life will be over. Done.

Next year will bring more memories and good times to reflect on after it's over. It will bring new friends and old smiles recalling a passing memory never to forget. It will be a time to grow and get ready for the world. Make the most of your Senior year. It's your only one.

Time, it passes so quickly.
It's hard to capture each moment
and relive every fading memory.
As days go by, more of youth is lost;
and adulthood gained.
Sometimes it's hard to say goodbye
to yesterday.
To all of the laughter and tears.
The thrill of victory and the agony of defeat.
But when you lost the challenge, it was alright,
Because you knew that you gave it all you had.
It's hard to say goodbye to the good times.
The times that made you glad you were alive,
and also to the friends that you thought
would never leave.
In time, everything changes.
Sometimes it's just hard to let go.

The Beatles
"The band contains better musicians than the Beatles but then they'd almost have to be in order to recreate so well the sound."
John Wendeborn - The Oregonian
"...it's very eerie to see kids going berserk, literally screaming and tearing their hair out ... for songs that the Beatles have never played on stage before. If you close your eyes...."
Tony Reay - Performance Magazine

i travel like a stone
in a rushing river.
winding and swirling...
the journey's begun.
i learn to endure
the chill of icy mornings
and i savor
the lazy stillness
of moon-lit ponds.

round and smooth
from the quickening current...
i start to shine.
i pass easier
through the boulders ahead.
picked up, and polished,
my golden treasures glimmer,
like the surprise of sunshine
on a cloudy day.

under the trees,
talking of tomorrows
i view the ocean.
cast in like
a grain of sand
i become it.

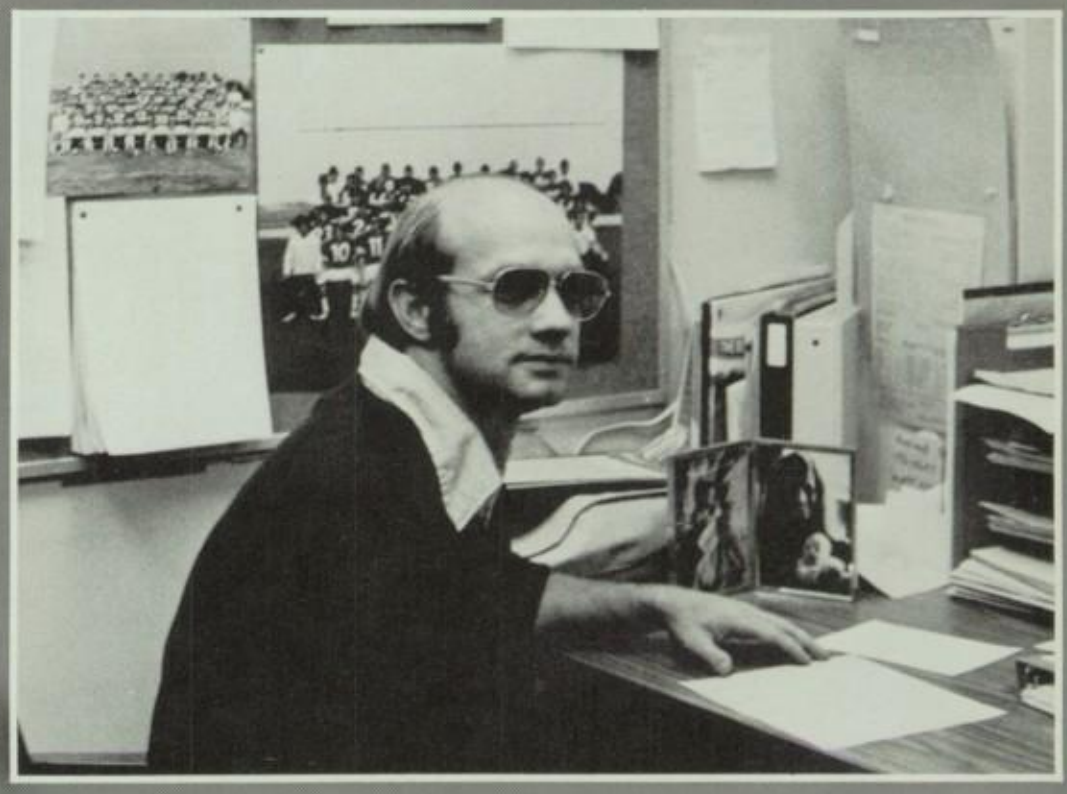
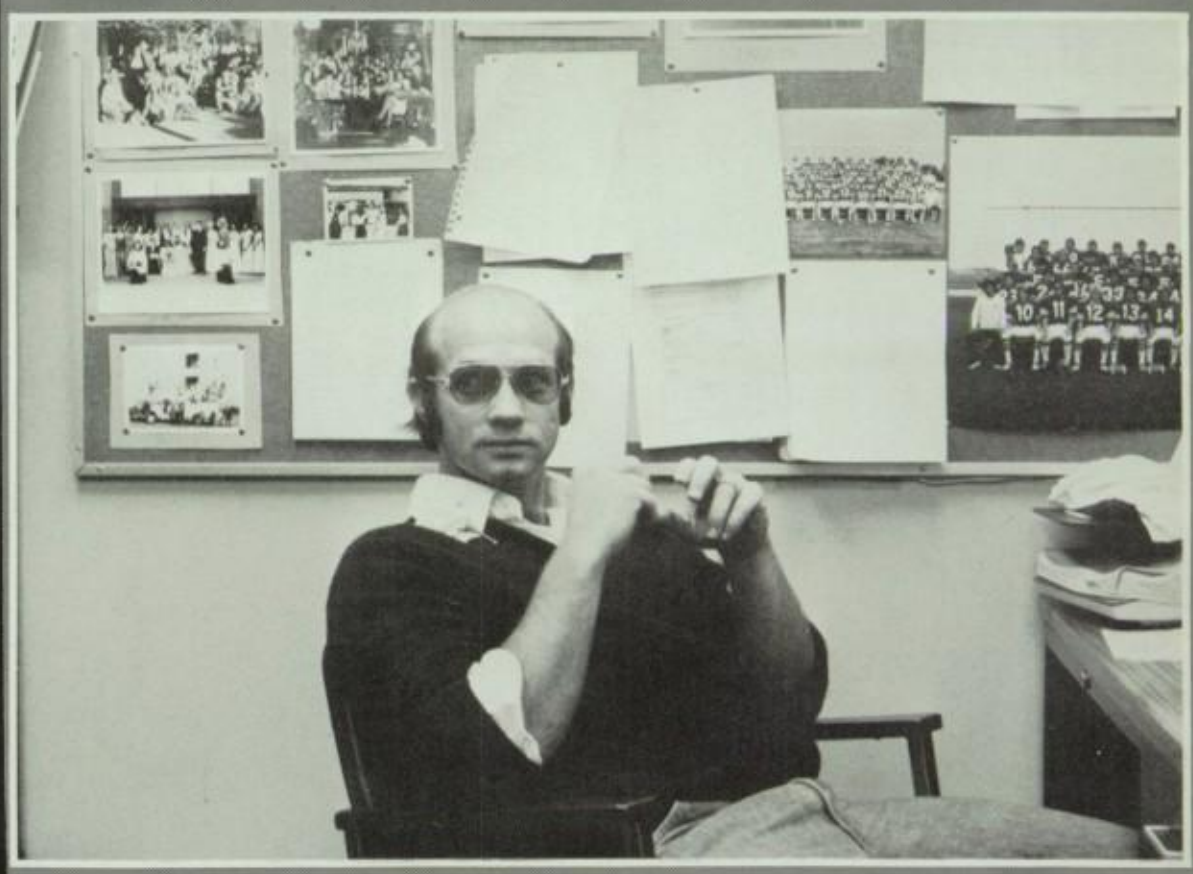
estancia dedicates this yearbook to

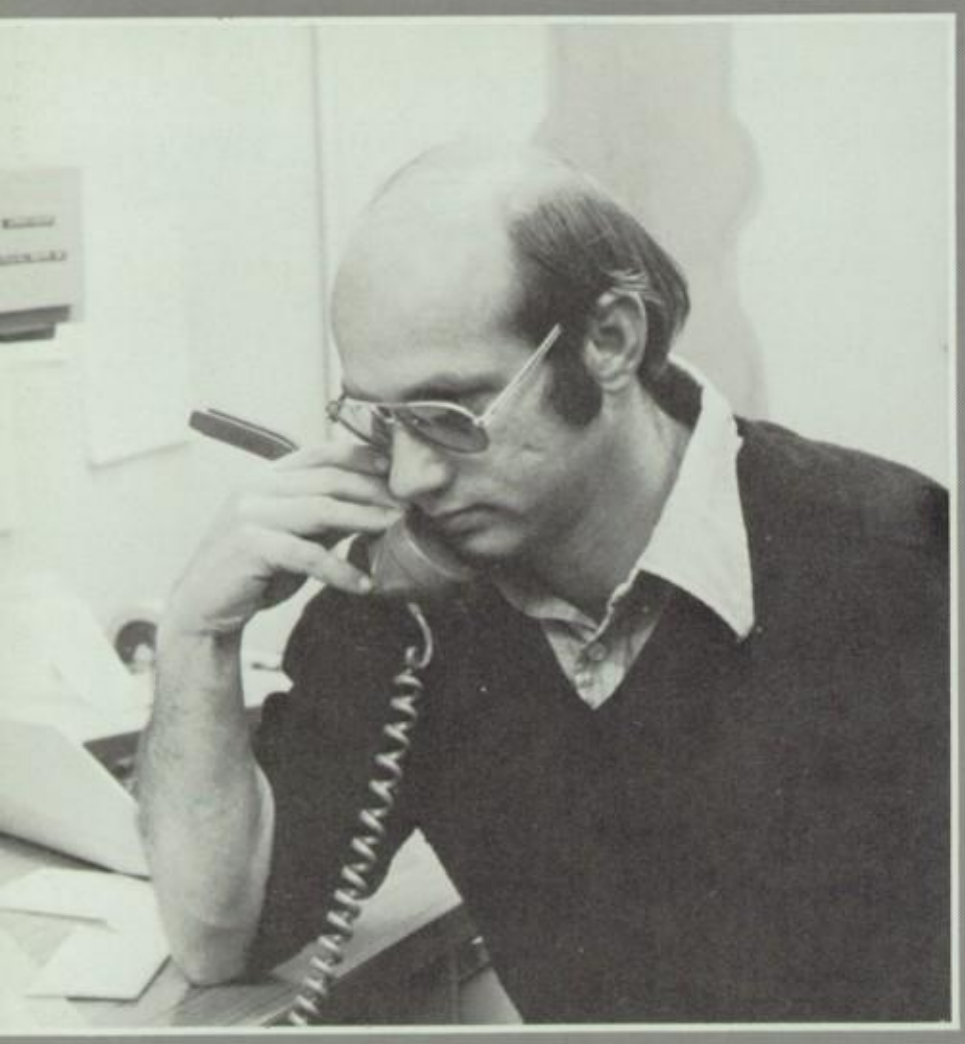
mr. perry



Art Perry is one of those special people who quietly does his job-and does it superbly without a great deal of attention or fanfare. Despite long hours, freely given to school and students, he maintains a warm, caring attitude. His sense of humor and enjoyment of life draw people to him. He is a man in whom you can put your trust; he has a deep sense of integrity. He is a good friend.

Robert Francy
Principal



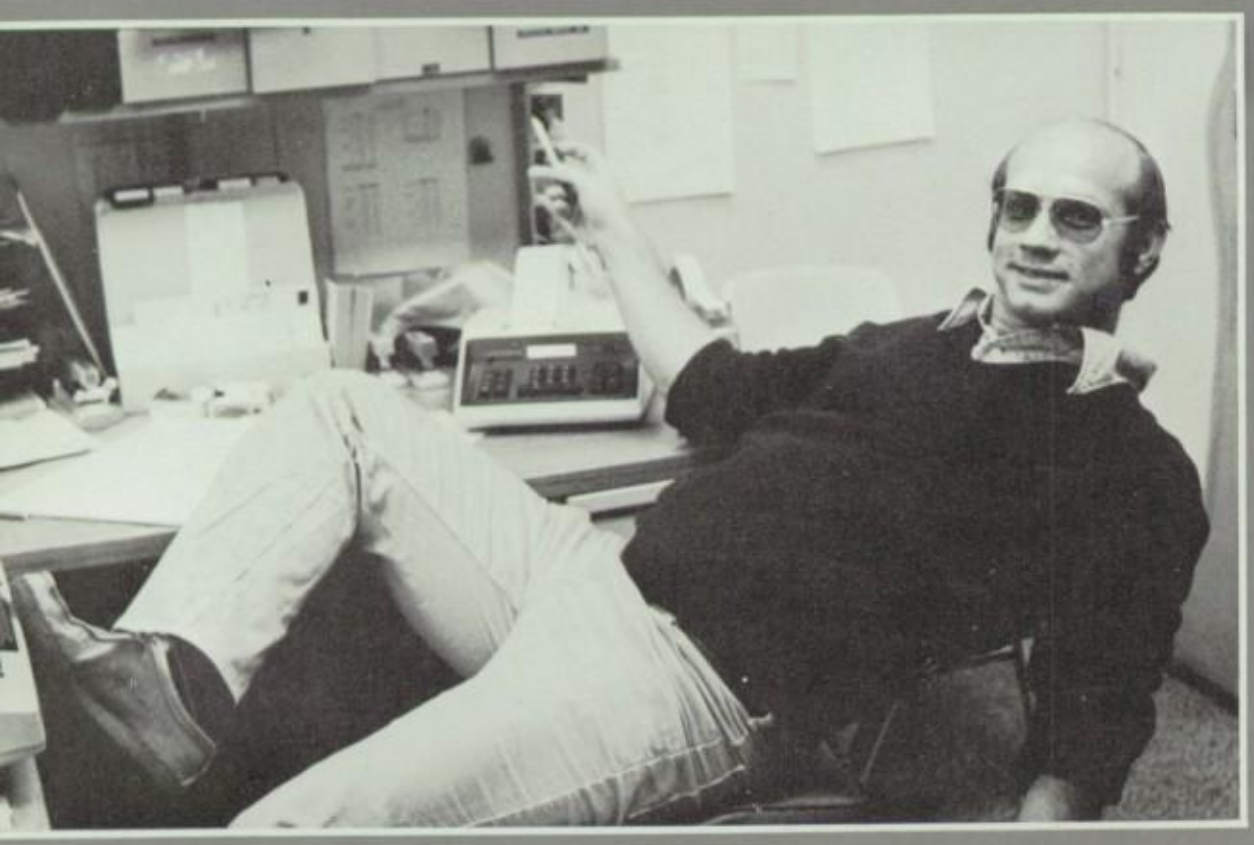


We're so lucky to have Mr. Perry for our Activities Director. He's always there to listen and to help both students and faculty. He almost always finds solution to problems that arise on campus and usually accomplishes this in such a warm and understanding way that it leaves people wondering what they were worried about in the first place. He coordinates the calendar, balances the budget, and still finds time to be an enthusiastic coach. What a quiet whirlwind!

Marnie Logue
Activities Office Secretary

Mr. Perry has a very special way of dealing with the students and activities here at Estancia. He is someone I can both respect and joke around with. Whenever you have a problem, Mr. Perry is always there and ready to help you in any way possible. I feel very fortunate to have been touched by his great patience and understanding. With all of his influence, I will leave Estancia remembering Mr. Art Perry as a warm and dedicated man who made my four years here an exciting and memorable experience.

Lisa Lazorek



Mr. Perry

As an instructor and activities director, you could call him superman.

As a friend, you could call him anything you like.

As a person, you could call him nothing but irreplaceable.

He has taught me, worked with me, and helped me to grow all thru this year. The best thing about him is that he is easy to talk to. Although he has his own ideas, he will always hear your view and compromise. This trait is hard to find in a person of his position.

Mr. Perry has a tremendous amount of dedication and pride for his job, and for Estancia High School. I consider it an honor to know him and a pleasure to work with him.

Mr. Perry-The kind of guy that never loses his cool when the pressure's on. He's a clutch performer as well as a fine example for students and faculty alike. I've gained responsibility, respect, and character from him and thank him for his time. If he ever left Estancia, I know that there would be a great void that nobody else could replace because when you need him, he's there and somehow you're filled with a kind of reassurance that everything will work out alright.

Thanks for everything you've done Mr. Perry, but most of all the situation "Sounds Good"
